REQUEST FOR WITHDRAWAL OF PREMATURE FINAL REJECTION

Sir:

Applicant hereby requests that the finality of the Office Action mailed June 1, 2006 in the above-identified patent application be withdrawn. As discussed in a telephonic conference of July 25, 2006 with the Examiner, Applicant's undersigned representative respectfully submitted that new grounds for rejecting the claims were articulated in the Office Action and that these new grounds of rejection were neither necessitated by Applicant's amendment of the claims nor based on information submitted in an information disclosure statement filed during the period set forth in 37 CFR 1.97(e) with the fee set forth in 37 CFR 1.17(p). Specifically, the Office Action has provided a new interpretation of the claims that was not set forth in the previous Office Action and Applicant has not been afforded an opportunity to address the issue articulated by the Examiner. Accordingly, it is respectfully submitted that the final rejection in this matter is premature and withdrawal of the finality of the Office Action is respectfully requested.
